OPEN

How can you participate in OCP's Project Communities?

1. Become a member. Ask me how.
2. Find a <u>Project(s)</u> that fits your interests or requirements and get on the mailing list.
3. Join the conversation on the Project via the Wiki, the OCP GitHub Repository or the Project Calls.
4. Share your knowledge, bring forth a challenge, collaborate on an initiative.
5. Spread the word about OCP inside your company.
